FOOD STALL HOLDERS

The sale of food products is subject to Government Regulations. ALL food sellers must have a STREATRADER Registration and a SOT (Statement of Trade) submitted for the date/s they intend to trade.

STREATRADER is an on-line registration system for all mobile and temporary food traders throughout Victoria.

It lets Council know who is trading where and when and if the trader has been approved in the municipality they have come from or are one of our local businesses/organisations. Even if you already have a registration with council for a fixed premises food business, you need to register with STREATRADER if you will be selling food at another location.

Even if you are a charity, not-for-profit, or fund raising organisation, you must register with STREATRADER. There will be no fee incurred for local charitable organisations, or for local businesses that otherwise pay Food Act registration for their fixed premises.

Even if you are only providing tea/coffee, drinks or other pre-packed low risk food, you must register with STREATRADER.

Food stallholders are required to attach the appropriate certification to their booking form and bring their food plan with them to the market. STREATRADER can be accessed at <https://streatrader.health.vic.gov.au>.

Enquiries about food regulations must be made to the Health Inspector at the Indigo Shire offices.

WASTE MANAGEMENT AND RECYCLING

Be Waste Wise and reduce, reuse, recycle - we require all stall holders to remove their own waste and packaging from the market site

SET UP

Details of setting up together with a site plan, will be forwarded to you 1 month prior to the EVENT via email. Stallholder Vehicles may only enter the STREET market area under Drag'd Out parking supervision (enter via THE ROUNABOUT end of CAMP STREET. Vehicles must not be in the park area after 6PM or before MIDNIGHT to avoid disruption to other stalls and pedestrians. This access is made available to assist stallholders with unloading and loading heavy and bulky goods and you are asked to keep to the areas and direction indicated on the site plan. Stallholders must provide all of their own equipment such as marquees, tables, power leads, etc. As some sites are not completely level it is suggested that leveling blocks also be packed to level tables and stands.
